Don't Forget the Interfrat Prom at the Willard Friday

PRESIDENT LEWIS TO LEAVE G. W.

Chips

George Washington surrenders to Lafayette and cedes the Commander-in-Chief. Shades of our Country's Father! That this should come to pass!

The University will find another president, but not another William Mather Lewis. The work which he has initiated will go on, but his leadership will be sadly missed.

There are a few whose personalities are such as to be an inspiration even to those with whom they do not come closely in touch. This is true of our president. To the student his going is not merely a change of administration, but a personal loss.

It is too bad that the student body cannot have a voice in these matters. Even though trustee and faculty persuasion would not suffice to keep him with us, perhaps an expression on the part of the students might have been of some avail.

Mr. George Rothwell Brown, who also conducts a column, has suggested that President Lewis prefer Lafayette to George Washington because of its superior football squad. Mr. Brown should have been furnished passes to the basketball game with C. U. last Wednesday evening. This no doubt would have changed his opinion of our athletic teams.

The event was notable both for the game and for the audience. The materialization of school spirit upon this occasion was strong enough to satisfy the most ardent school spiritualist, and gave voice not to the usual incoherent noises, but to unmistakable cheers.

No sooner had the George Washington team appeared upon the floor than School Spirit stuck its head up out of the grave with a yell which shook the rafters. And this enthusiasm continued unabated throughout the most exciting game of the season.

And while we're on the subject, we'd like to say that in our opinion Professor Doyle has the right dope on this question of school spirit. George Washington does not need the kind of thing that Professor Doyle defines as "small town lip-service loyalty." Get out and do something, and school spirit will take care of itself.

There are certain advantages in the use of a pseudonym. For instance, it lets one in for a deal of refreshing comment on one's literary efforts.

Of course by now most of our gentle readers, and some not so gentle, have guessed that Becky Sharp isn't our real name at all, but simply a clever ruse on our part to disguise the author of this justly famous column.

Did I hear someone in the rear of the hall remark that for the author's sake the disguise was perhaps fortunate? Ah well, genius was ever unappreciated.

But to return to the subject. The other day a young man said to us, "Why in thunder does the Hatchet put Chips on the front page?" We murmured something to the effect that really we thought it rather good. "Ye Gods," exclaimed our unconscious critic, "The Axe last year was bad enough, but this stuff is worse!"

Whereupon we sank into a hole in the ground and pulled it in after us, leaving him to wonder just what had happened.

Becky Sharp

PI DELTA EPSILON WILL HOLD MEETING TONIGHT

A meeting of the local chapter of Pi Delta Epsilon, national collegiate honorary journalistic fraternity, will be held tonight at 8 o'clock at the Theta Upsilon Omega fraternity house, 1765 Que Street N. W. All members have been urged to be present.

The regular annual initiation of the fraternity will be held Monday evening, March 21. At that time the six present pledges, R. Campbell Starr, Joseph Davis Walstrom, Elbert Lowell Huber, Rowland Lyon, Robert Stearns, and Sherman Elbridge Johnson will be initiated. Election of officers for the coming year will take place at that time.

SQUAD OF THREE DEBATERS GO TO EUROPE APRIL 30

Colonial Team Has Traveled Many Miles in Season; Have Argued 45 Times

WILL PICK TEAM FROM 14 POSSIBLE CANDIDATES

Staterooms Have Been Engaged; G. W. to Meet N. Y. U. and Bucknell in Final Debates

Staterooms have been engaged for the George Washington University debating team, which will sail for England April 30. Arrangements are under process of completion for the determination of subjects for debate and the extended itinerary of the Colonials who are to traverse England, Scotland, Ireland and Wales.

It is believed that on the completion of this international journey the Hatchettes will have achieved a record in the number of miles traveled and the number of debates engaged in in six months. The Colonial arguers will have taken part in 45 engagements since December, when a trip was taken through the South. During the season four teams have traveled over the entire United States east of the Mississippi River, extending from Maine to Georgia and as far west as Illinois.

Under the supervision of Dr. George L. Farnham, of the Department of Public Speaking, debating has risen to greater heights than ever before in the history of the University. The prospective trip to Europe will be a fitting climax to the activities during the past season.

Three Men to Make Trip Decision will be made immediately as to the method which will be followed in choosing the three men who are to make the tour. The process of elimination will be used, it is believed, whereby a certain number of possibilities will be chosen from the 14 contestants. Those who are chosen will then hold debates among themselves and the successful three will then be selected. This team will be picked from the following 14 men who have debated throughout the year: John T. Trimble, Manager; Cyrus V. Hoagland, William F. Williamson, William A. McSwain, James R. Kirkland, Washington I. Cleveland, John F. Seymour, J. A. Harris, Ray O. Harris, Joseph Levinson, Edward C. Gallagher, William R. Ogg, Gwyn Sanders and J. H. Vesey.

The end of the debating season will take place on Thursday and Friday nights of this week. On March 10 New York University will debate in Corcoran Hall on the subject, "Resolved, That the Inter-Allied Debts Should be Cancelled." The Colonial team, which will uphold the negative of this question, will consist of Edward C. Gallagher, James R. Kirkland and Joseph Levinson.

Bucknell University will be met here on March 11 in the last engagement of the year. The triumphant group which recently visited the New England States will battle with the Bisons on this occasion on the question, "Resolved, That the Eighteenth Amendment Should be Repealed." The Hatchettes who are to defend the affirmative of this subject are John T. Trimble, William F. Williamson and William A. McSwain.

SIR HENRY LUNN ILL; DR. RIGGS IS SPEAKER

Gives Illustrated Lecture on Italian Maritime Republics

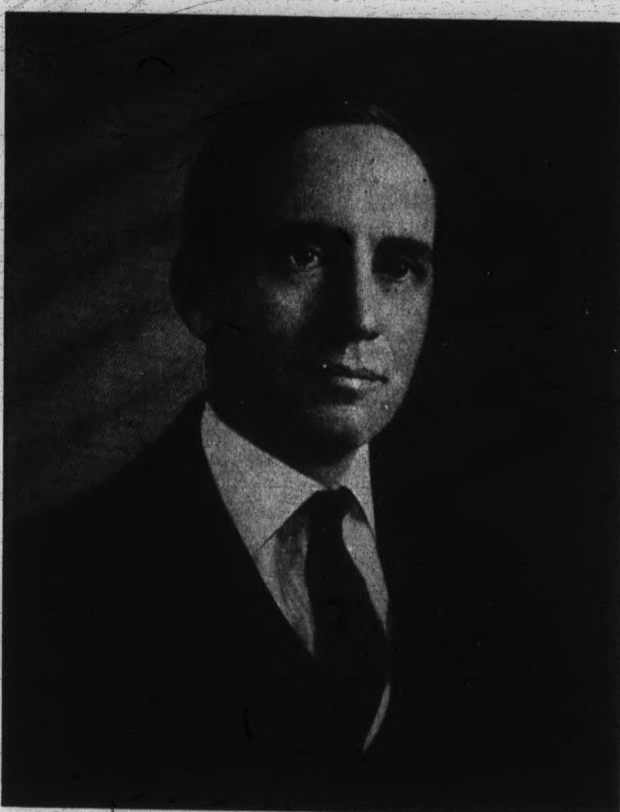

Dr. Stanley S. Riggs, Secretary of the Archaeological Society, spoke at chapel Friday, March 4, in the place of the previously announced speaker, Sir Henry Lunn, who was prevented by illness from making an address. Dr. Riggs gave an illustrated lecture on the Maritime Republics of Italy.

Dr. Riggs discussed the development of art in Pisa, Genoa, and Venice, illustrating his address with photographs taken by himself. He dwelt particularly upon Venice, "a city which is difficult to describe without superlatives," he said.

GIRL DEBATERS LOSE TO OHIO WESLEYAN U.

Coe-debaters of George Washington lost to Ohio Wesleyan by a 2-1 decision on Saturday, March 5, at Ohio Wesleyan.

The subject of the debate was: "Resolved, That Congress should enact uniform marriage and divorce laws." Ruth Kernan, Florence Smith, Marjorie Mothershead, Alice Nesbit and Lillian Rhodes composed the G. W. team.

President William Mather Lewis

YEARBOOK ASKS FOR SNAPSHOTS

Proofs of Students' Pictures Must Be Returned to Edmonston's This Week

DEADLINE SET AT APRIL 1 Subscription Drive Now On; No Extra Copies of Book to Be Printed This Year

Work on the Cherry Tree is progressing very nicely, according to Bob Stearns, Editor-in-Chief. Some delay and inconvenience is being caused, however, by some of the fraternities and other organizations, which have neglected to turn in their copy. In this connection it should be noted that the final date for copy is not May 1, as stated in last week's Hatchet, but is April 1. Every effort should be made to get the material in as soon as possible in order to allow plenty of time for editing and correcting any mistakes which may develop.

Many students have not yet returned the proofs of their pictures to the photographer. If these proofs are not returned to the Edmonston Studio by the end of this week, it is probable that the Cherry Tree staff will take the pictures at random, and print them in the book. If those students who still have their proofs wish to choose which picture is to be printed, they must return the proofs at once.

Want More Snapshots

Pleas for snapshots have brought quite a number of interesting snapshots, but a greater range and variety is desired. Everyone with kodak pictures of appropriate subjects, taken on the campus, around the fraternity houses, and where not is asked to send them in at once before the snapshot pages are made up.

From all indications this year's Cherry Tree will surpass those of previous years. The drive for subscriptions is now on. All who wish a Cherry Tree must subscribe before the book goes to press, as no extra copies will be run off this year. Those who pay in full before April 1 will have their names printed on the cover in gold letters.

BELGIAN PHYSIOLOGIST TO DELIVER LECTURE

Henri Frederico, professor of Physiology at the University of Liege, Liege, Belgium, will deliver a lecture on the "Humoral Transmission of Nervous Action," at Corcoran Hall, Monday evening, March 21 at 8 o'clock.

All Washington physicians, the medical staff at Walter Reed Hospital, and the members of the Biological Society of Washington have been invited to attend.

DEBATERS SCORE DOUBLE VICTORY

Defeat University of West Virginia and Western Maryland in Last Week's Tilts

DISCUSS ALLIED DEBTS McNary-Haugen Bill Argument With Indiana University is No Decision Affair

Continuing the excellent work done by the debating squad in the past few weeks, two debating teams engaged in three debates last week, emerging with two victories and one no decision. The University of West Virginia was defeated Monday, February 28, by a vote of 2 to 1 on the question, "Resolved, That the Inter-Allied Debts Should be Cancelled." The George Washington team which won despite the difficulty of presenting affirmative arguments to this question was, Cyrus Hoagland, W. I. Cleveland, and John Seymour. The West Virginians supporting the negative were, L. H. Lambert, B. B. Randolph, and J. G. Zavely.

The judges for the evening were Mr. David A. Salmon, Chief, Bureau of Indexes and Archives; Dr. William McClure, Economic Advisers Office, Department of State, and Mr. Joseph Quinn, Department of Commerce. John T. Trimble, Manager of Debate, presided over the contest.

No Decision on Farm Bill

On Wednesday, March 2, a no-decision contest was engaged in with the University of Indiana on the subject, "Resolved, That the McNary-Haugen Bill Should be Approved." The Hatchettes defending the affirmative of this question were William F. Williamson, J. H. Vesey, and W. R. Ogg. An audience vote was to have been taken on the outcome of the fray. This was dispensed with because of the fact that the Catholic University-George Washington basketball game was held on the same night, and diminished the number of those present at the debate.

Defending the same side of the subject debated on Monday, the team which had that time beaten West Virginia, on Friday night, defeated Western Maryland College by a 3 to 0 decision. John Seymour's arguments were the best presented that evening. He contended that the debts should be cancelled because of economic reasons, and that the United States would have to be paid in either gold or goods. To secure either would be economically detrimental to this country.

Professor Gilbert Hall was the chairman of the evening. Mr. K. G. Matheson, University of Wisconsin; Mr. Joseph E. Quinn, Clark University; and Mr. W. H. Smith, V. M. I., were the judges of the debate.

Hour Glass to Meet

Hour Glass, girls' honorary society, will meet tomorrow night in Building 4, room 28, at 7 o'clock, to discuss plans for the initiation of the newly-elected pledges.

RESIGNATION ACCEPTED BY BOARD OF TRUSTEES; WILL GO TO LAFAYETTE

Dr. William Mather Lewis, President of George Washington for More Than Three Years, Has Had Lafayette Offer Under Advisement for Several Months

President William Mather Lewis, of George Washington University, has tendered his resignation to the Board of Trustees to accept the presidency of Lafayette College, Easton, Pennsylvania, effective September 1, 1927.

His resignation has been accepted by the Board, and the Trustees will appoint a committee immediately to consider the selection of a man to succeed Dr. Lewis.

INTERFRAT PROM TO BE BRILLIANT

Annual Greek Affair Will be Held at Willard Hotel Friday Night

FAVORS WILL BE UNIQUE

University and Fraternity Songs to Feature Program of Weldemeyer's Orchestra

Plans for the Interfraternity Prom, to be held in the small ballroom of the Willard Hotel, March 11, at 10 o'clock, are complete. Among the unique features of this prom will be the inauguration of a figure. Though this is new to George Washington, the custom of figures in connection with large dances is well established in most of the great universities. During the course of this promenade, in which all those present will take part, unique favors will be presented. The figure will be led by Vance Brand and Lillian Marceron and will start promptly at 11:30.

Another interesting feature of the prom will be the reception, which will be held from 9:30 until 10 o'clock. This will afford an opportunity for students to meet personally the officials of their university.

To Award Scholarship Cup

One of the spectacular events of the Interfraternity Prom is the announcement and awarding of the Scholarship Cup, given to the fraternity which made the highest scholastic average last year, and the award of the basketball, bowling, and other intramural athletic cups. Names of active fraternity men have been submitted for the awarding of the scholarship cup, but the result will not be known until the evening of the prom.

This prom will be one of the most successful events ever held at G. W. There has been an unusual demand for tickets, and each fraternity will probably be represented by twenty or more couples.

One of the reasons for the success of the prom is the fact that the fraternity men are taking advantage of the opportunity of hearing Weldemeyer's Orchestra, one of the finest bands in the south.

University songs and the songs of each fraternity will be played by the orchestra. Each fraternity will have a box, over which will be the banner of the fraternity.

The price of tickets is five dollars. Stags will be admitted, but only at the five dollar price. Dancing is to be by program, and will be from 10 to 2.

MISS KATHERINE RIGGS IS ASSEMBLY SOLOIST

Miss Katherine Riggs, prominent harpist, gave a charming program of classical selections at the assembly on Wednesday, March 2. Miss Riggs has been the entertainer at the morning assemblies on several previous occasions this year, and her programs are always greatly enjoyed by her audiences.

This time she presented an entirely new group of numbers, omitting the old ballads and folk-songs which her listeners are always so glad to hear. The personality of Miss Riggs contributes a great deal to the charm of her playing.

DEAN HODGKINS RETURNS

Dean Howard L. Hodgkins, who has been under the observation of physicians at the Eye, Ear and Throat Hospital, has returned to his office at the University. Dean Hodgkins may have to undergo an eye operation later in the spring.

BOARD OF TRUSTEES MEETS

The Board of Trustees of the University will meet in the Council Room of Corcoran Hall today at 4:30.

Effective in September Dr. Lewis will go to Lafayette in September. He will succeed John H. MacCracken, resigned. Dr. Lewis will continue as head of George Washington until fall, by which time it is expected a successor will have been chosen.

Dr. Lewis has had the Lafayette offer under consideration for several months, but only recently decided to accept it. As his resignation will not become effective until September there will be no interruption of his work here during the present session.

"I have accepted the position at Lafayette only after a great deal of consideration and repeated approaches," says President Lewis. "I have made the decision because of the type of institution that Lafayette is. I being a college man myself, the college close to the lives of the students appeals to me. The problems and opportunities there are of tremendous interest to me, and I feel that there I can render the greatest service."

"I regret leaving George Washington. My feeling toward the work here is that it is constructive, and the life of a college president is not long when he is carrying on intensive work. But George Washington does not now need constant stimulation. I am satisfied that the organization need not depend upon one man, and I leave with a constantly heightened belief in the future of the University."

Future of University Assured

"The student activities are sound. In debating we are bigger than any other University. The Hatchet ranks as one of the best college newspapers, and all the publications and athletics are on a permanent basis. The alumni organized all over the country are rallying more and more to the advancement of the University. This University has gone ahead in the last few years and will continue to go ahead in the years to come."

"In the judgment of men in and outside of Washington there is no city institution with a more assured future than George Washington. The standards are higher and it is being more and more recognized. Ten years from now George Washington will hold a place in education that it has never held before."

"In my leaving, the University will not have a setback, because before I go out a new man will be chosen and there will be no break. If the contact that I have made with the student body has helped in some small way to make the life richer than before, I will be glad. I wish I could have done more."

"April Fool" Ghost To Appear March 21

Final Plans Made By Press Club, Publishers; Cover to Be in Four Colors

Final plans for the "All Fools" number of the Ghost, campus comic magazine, were formulated at the meeting of the George Washington Press Club, publishers of the book, held last Thursday evening.

The cover is now being printed, and has been pronounced the most attractive which has ever adorned the front page of the comic. It is a cleverly drawn idea, and will appear in four colors. Mary Annette Chittick, G. W. student, is the artist.

A four-color advertisement, drawn by John Held, Jr., will occupy the back page, and the remainder of the magazine will be devoted to the "All Fools" theme.

The comic will be placed on sale Monday, March 21. As only a limited number of copies of this edition will be printed those who wish copies are asked to place their orders early with any member of the Press Club, in order to insure delivery.

The publishers are planning to print eight editions next year, and expect to increase the number of pages in the book.

Roiston Lyon was pledged to membership in the Press Club, at Thursday's meeting. He will take charge of the circulation of the Ghost.

WASHINGTON, D. C., WEDNESDAY, MARCH 9, 1927

WILLIAM MATHER LEWIS

The resignation of Dr. William Mather Lewis as President of George Washington University comes as a keen disappointment to the number of students who have known him during his stay here, and as a deep personal loss to those who are fortunate enough to be a little more intimately acquainted with him. "Prexy" has endeared himself to all who know him. The Board of Trustees will doubtless select another capable man to fill the vacancy, but they can never find another President Lewis.

It would be folly to attempt to summarize Dr. Lewis' achievements during his administration at George Washington. Even if space permitted, it is highly improbable that anyone could list more than a few of the numerous benefits which have accrued to the University while he has been "in the saddle." The service which he has rendered here can not be overestimated. The greatest strides in the development of George Washington have been taken during his three years of office.

Wherever he may go in the future, the sincerest good wishes of the student body of George Washington will accompany him. George Washington's loss is Lafayette's gain.

THE SIX-PAGE HATCHET

The numerous students who expressed favorable comment on the increased size of last week's Hatchet will doubtless be glad to learn that this paper will continue to print a six-page sheet for the remainder of the school year. This has been made possible by an ever-increasing volume of advertising, both local and national; and an increased efficiency of the editorial staff. The Hatchet thus continues to improve, and will keep its place among the leading college newspapers.

GOVERNMENT OFFICIALS

Last week's issue carried an article announcing that a conference on public administration would be held at George Washington during the Easter Holidays. A list of the Government Officials who are to address the conference shows the opportunity that the University is able to offer to other schools in being able to call on material which can be of so informational a value to a conference. With the Director of the Bureau of the Budget, the Commissioner of the Interstate Commerce Commission, the Director of the Pan-American Union, the Assistant Secretary of the State Department, the Treasury, and the Department of Commerce, with the possibility of speeches by such men as the Secretary of Commerce and the Secretary of Labor, George Washington is offering a most worthwhile opportunity for universities from all over the country.

Not only is G. W. giving to other schools a wide field of information, but it is laying a foundation for future work along this line. It is said that Washington is the eye of the United States. Can not George Washington be the gathering place for conferences which need material such as this? The Public Administration Conference is only a nucleus, but it can be made into something very worthwhile for the University.

WE WERE BEATEN

Last week the Hatchet edition, published under its usual Wednesday date line, failed to carry a single line on one of the biggest news stories that has broken at George Washington University for some time. This story on which we were, to use the journalist's term, beaten was, of course, concerning the resignation of President Lewis. The local newspapers Tuesday afternoon

carried this story in large headlines, yet the student publication, appearing the next day, had nothing about it.

This is just another, although more striking, incident in a chain of similar news beats that the city dailies have scored over the Hatchet. The fault, however, does not lie with us. We are dependent on the administrative authorities for news of this kind and naturally have no way of discerning it until it is announced. What we fail to see, however, is why it could not be given to the Hatchet first, or at least at the same time it is given to the other papers.

Concerning this particular story we have been told that if we had been given the news in advance so as to be able to include it in our issue of last week it would have been all over the campus prematurely. With this argument we fail to agree. City editors everywhere respect a release date carried by a story given them in advance. The speeches the President makes to Congress are all in the hands of the newspapers and often set up in type before the speech is made, yet no one has ever heard of a newspaper printing a speech before it was actually made. We feel that the same honor exists among us who are professed amateurs at the profession. News released to the Hatchet confidentially would be kept just as strict a secret as it would be when released prematurely to a metropolitan daily newspaper. But one or two members of the Board of Editors would know of it and no one else could possibly gain it beforehand.

There is much University news, also, that is handed out to the town papers before coming to us that does not have the time element so clearly stressed. This news should and ought to go to the downtown papers via the Hatchet and not to the Hatchet via the downtown papers, as is so often the case. This week we are carrying a story on the sailing date for our debating team which is to invade England. This story is taken from the Sunday papers. We see no reason why it could not have been held until Wednesday just as well. Most of the stories we carry are hardly news to most students, because the papers naturally report the athletic events and other news with a strict time element before we can. If the University is going to keep from us the news that would be news to the student body as printed in our publication, the Hatchet has almost no reason to exist.

NORTHWESTERN STUDENTS ARRESTED; STOLE A TIRE

EVANSTON—Two Northwestern students, Arthur C. Cheeseman of Muncie, Ind., and Albert Atterberry of Lenwood, Kans., sophomores in the college of engineering, have been arrested for stealing a tire from a Nash sedan in front of the Evanston Woman's club, and are confined in the city jail.

It has developed that the car for which they stole the tire is also a stolen car, and they will probably be held for federal authorities under the Dyer act, prohibiting transportation of stolen cars from one state to another.

They have been temporarily suspended from school by the Dean of Men pending investigation of the case. Both boys have been working their way through school.

EVILS RIFE AT CAROLINA, SAYS STUDENT PRESIDENT

CHAPEL HILL—In spite of the honor system at University of North Carolina, there is a growing tendency among students here toward poker playing, giving of bad checks, unnecessary noise, and drinking, according to Sid Chappell, president of the student body.

He intimated that several students would be asked to leave school by the Student Council last week. He urged students to warn offenders against further infractions.

At the same time a story appeared in the Tar Heel, North Carolina tri-weekly, describing local bootlegging. The liquor furnished to university students, the story charged, was made at a cost of sixty cents a gallon, and sold for \$2.50 a quart.

ONE of the biggest social events of the year takes place Friday night when all the Greek letter men on the campus join together and give their annual promenade at the Willard.

Betty Armentrout and Richard Wilkinson were recently entertained at dinner by the Mexican Ambassador and Mme. Tellez.

Kitty Ruth's home was the scene of a bridge-dance Saturday night. Among those present from G. W. were Helen Dix, Rowland Lyon, Wanda Webb, Virginia Blackstone, Merla Mathews, Arthur Beach, Dot Ruth, and Soup Starr.

Alpha Delta Theta entertained the officers of the sororities on the campus at tea Friday afternoon in honor of Mrs. Violet Dewey Gentry, visiting grand secretary of the sorority.

Pi Phi gave a luncheon for their pledges last Monday. Mrs. Lewis, Dean Wilbur, Miss Watkins, Professor Ragatz, Professor Kayser, Professor Doyle, Professor Griggs, Sally Lewis and Katty Taylor, a Pi Phi pledge from Hollins were among the guests.

Helen Hall, graduate of George Washington last year, was married to Arthur Logan, of Baltimore, last Tuesday night. The wedding took place at 8 o'clock in the Washington Cathedral and the maid of honor was Mildred Whaley, who is now attending George Washington. At present the young couple are in New York on their honeymoon. They will be at home to their friends at their home in Baltimore next month. Mr. Logan is a graduate of the G. W. Law School and a member of Phi Delta Theta fraternity. The bride is a member of Chi Omega sorority.

Alice Graham spent last week-end at Fort Humphrey visiting friends.

Walter M. Mahon entertained the members of Sigma Mu Sigma with a social and card party at his home on Saturday night, February 26.

The Tau Club will entertain its members and guests at a dance to be held at the Hotel Gordon, Sunday, March 13.

Sigma Phi Epsilon announces the election of William Henry Harrison 9th, Ray Harris, Seth Charles Coffin and Arthur Marshall Davis.

Alpha Delta Theta announces the formal pledging of Oneda Brown, Katherine Ehrmentrout, Elizabeth Ford, Elizabeth Miller, Helen Staples, and Marion Weed on Monday night, February 28.

The Styx Club held an informal dance at the Thomas Circle Club last Saturday night.

Jeanne Gravatte entertained with a luncheon at St. Marks last week in honor of Helen Hall and her fiancé, Mr. Arthur Logan.

The Pep Club held another of its gymnasium hops last Saturday. The rising enthusiasm for these dances is evidenced by the barren campus which one sees if he happens along about the time the affair is in full swing.

Sigma Mu Sigma announces the pledging of R. G. Hainsworth.

Mrs. Violet Dewey Gentry was guest of honor at a formal banquet at the Hotel Hamilton given by Lambda Chapter of Alpha Delta Theta last Saturday evening. Dean Rose and Miss Kincannon were among those present.

Myrtle Crouch and Abbie Burke spent last week-end visiting with friends at Goucher College.

The alumnae of Alpha Delta Pi entertained the Active Chapter at a luncheon at the St. Marks Club on Saturday, March 5.

The marriage of Miss Eileen Phillips to Mr. B. G. Watt has been announced. Miss Phillips was a student of the University and a member of Alpha Delta Pi Fraternity.

Zeta Tau Alpha was presented with "five pounds" Friday night at the home of Marie Didden, when the engagement of Ada Swigart was announced to Laurie Hess. Miss Swigart is an alumnae of the chapter and a graduate of the Home Economics Department of George Washington.

Burdell "Jimmy" Carey, of Follansbee, West Virginia, was formally initiated into the Sigma Nu Fraternity on Sunday, March 6.

Sigma Nu announces the formal pledging on March 6th of Thomas H. Fitch, of Washington, D. C.; Raymond Keiferle, of Pennsylvania; Carroll Morrison, of West Virginia;

Edward Stevens, of Washington, D. C.; and Bert G. Weatherby, of Tennessee.

The local chapter of the Sigma Nu fraternity entertained alumni of the fraternity in Washington last Wednesday evening with a smoker and meeting at the Chapter House. About one hundred were present. Lewis B. Rhodes was elected President of the Alumni Association.

Julia M. Escher, Arts and Science Student, and Charles R. Ryland, Jr., and Peter Milazzo, medical students, are patients at George Washington University Hospital.

Miss Marie Collins entertained the active and pledges of Kappa Delta at a tea last Sunday. Formal pledging took place at the K. D. house immediately afterward.

Ethel Iglehart entertained the pledges of Kappa Delta at bridge on Saturday afternoon.

Beta Alpha Chapter of Phi Mu and the Washington Phi Mu Alumni Association celebrated the seventy-sixth anniversary of its founding with a banquet at the Carlton Hotel, on March 4. The pledges entertained with a pantomime of Lochinvar, and a new song.

Phi Mu sorority held their formal pledging in the chapter rooms on Monday night, February 28.

Ruth Bennett entertained Sunday night at a supper shower in honor of Marguerite Daly. The guests were Gamma Beta Pi alumnae, and included Stella Burke, Martie Coffin, Dot Dougherty, Lucy Rains Manning, Margaret Smith and Ruth Gregory Wheeler.

The Tau Club last week entertained several prospects at a smoker held in its new meeting rooms situated in the Colonial Hotel. Entertainment was furnished by Joe Prutitsky at the piano, while "Bernie" Fischgrund and "Sid" Kaitz rendered several vocal duets. A little talk on "Handshaking" by "Mike" Greenberg, turned out to be a most interesting and amusing subject.

Betsy Booth and Helen Perriam have returned to their homes in New York after spending a couple of weeks here visiting their Chi Omega sisters and friends.

[Upper classmen in smoke-shop, buying Camels]

Top in quality—first in popularity

EXPERIENCED smokers have proved it. Discriminating tobacco lovers by the million rediscover it each day and every evening as the friendly Camels are lighted. There simply is no better cigarette made. The choicest Turkish and Domestic tobaccos grown are bought for Camels—and such blending for taste and fragrance! Only the largest tobacco organization in the world could produce a cigarette like Camel.

In terms of popularity, Camel quality has reflected itself in the greatest preference ever given a cigarette. There

never was a tobacco word so famous, or a cigarette so good. First in popularity, because the best—that is the story of Camel, the biggest cigarette success ever known.

If you want such smoking enjoyment as you never hoped to find, just try Camels. Smooth, fragrant and mellow mild, from the first touch of the flame to the final puff, Camel will mean a revelation to you of tobacco goodness. For pleasure unalloyed, for the best that's made regardless of price, "Have a Camel!"

R. J. REYNOLDS TOBACCO COMPANY, WINSTON-SALEM, N. C.

GRID RULES BODY PUTS GOAL POSTS BACK TEN YARDS

Intercollegiate Rules Committee Makes Drastic Changes For Coming Season

CHANGE MAKES UPRIGHTS MORE DIFFICULT TARGET

No Changes Made in Forward Pass; "Time Out" Will be Allowed Only Three Times

That kicking has been overemphasized in football was the verdict of the national intercollegiate rules committee last Saturday when they moved the goal posts from their honored place on the last white line and placed them ten yards behind each end of the playing field.

By making the uprights a more difficult target to shoot at, either for field goals or for the try for extra point after touchdown, the committee expects to encourage freer use of the rushing or passing alternatives, especially as they apply to the extra point scoring opportunity with the ball on the 3-yard line. At the same time the hazard of the posts to limbs and play execution is eliminated.

The uprights remain midway between the sidelines, as before, but they will be painted by 120 yards instead of by 100 yards, which still is the limit of the playing field.

Most Drastic Step

This change in the gridiron code, effective for the 1927 season, was the most drastic result of the two-day session of rule makers, who also decided to retain the shift with safeguards against its illegal use, reduce delays in the game, increase the opportunities for a more "open" game by making an incomplete backward pass "dead" and prevent the scoring of a touchdown by recovery of a fumbled punt.

Retention of all the "strategic advantages" of the shift while also preventing abuses not intended by the rules will be accomplished, Chairman E. K. Hall of Dartmouth explained, by placing a penalty of 15

CO-ED BASKETERS DOWN GALLAUDET

Score Impressive Victory Over Kendall Green Silents by 39 to 13 Count

ALYS EWERS STAR OF TILT

Tilt Marks Second Win Over Florida Avenue Sextet; To Play Western Maryland March 12

By JULIA DENNING

The Colonial co-ed basketballers decisively defeated Gallaudet for the second time this year in a slow-moving game in which most of George Washington's substitutes were rung in by Miss Hopkins. The final score was 39 to 13 in favor of the home team, an even greater score than the former encounter with Kendall Green. The struggle was staged in the H Street Gym, Friday, March 4, before a small, but enthusiastic audience.

The Gallaudet team seemed to have slowed up considerably since the first game and the Buff and Blue sextet had no trouble in completely overwhelming the visitors with their quick, snappy passing and clever interference in the guard field. The ease with which G. W. kept the lead during the entire game with the second string players in part of the time, was a decided improvement over the last game at Kendall Green.

First Half Is Hard Fought

The first half was closely contested by both teams, each striving to outplay the other, but the Colonials forged steadily ahead and soon showed themselves to be the more accurate shooters, amassing 15 points to their opponents' 9. Gallaudet's tallies were all made by Kannapell, star forward, who caged 2 two-point baskets and made 5 free shots out of 7 attempts. Alys Ewers, G. W. forward, scored 9 for the Hatchettes while Merla Matthews was responsible for 6 points.

At the very start of the last half Kannapell, Gallaudet's stellar forward, and Lawson, tall jumping center, were taken out of the game on fouls. Their loss greatly crippled the visiting team who were only able to add 2 more baskets, of 2 points each to their score. The G. W. six had things entirely their own way from then on and piled up the bas-

(Continued on page 4)

G. W. has Uneven but Victorious Season, and Beats Cardinals

Two Teams at First Worked by Coach Lemon; Carey, Captain Wallace and Goodson Are Outstanding Stars of Colonial Basketball Season

Way back in the first days of December, 1926, Jimmy Lemon, basketball mentor of G. W., took his initial glimpse at a squad of thirty ambitious candidates for the varsity team. What came out of that squad we shall endeavor to trace from its infancy to its great victory over the mighty Catholic University Cardinals.

Mr. Lemon, who is serving his second year as coach at G. W., was ably assisted in looking over the material by H. Watson Crum, Director of Athletics.

George H. Schwinn, Manager, and his assistants, Sherman Johnson, Henry Herzog, and John Organ formed that band of co-workers so essential to the success of any team. They were efficient to the last word.

After the boys had been in practice for several weeks and the squad had been reduced to thirteen, the season was officially opened with a victory over the fast quint from Delaware University, 29-28.

Coach Works Two Teams

At the time Coach Lemon worked two complete teams, one composed of Alton Bland and Jimmy Carey, forwards; "Red" Allshouse, center; and Henry Sapp and Fred Wallace, guards.

The other combination, which alternated with the first group, included Joe Motyka and "Wheel" Barrow in the front positions; Heinie Veithmeyer, at tap-off; and Allen Perry and "Specs" Levin in the defense positions.

Of this array only "Reds" Allshouse, Wallace, Sapp, and Levin were veterans. Several of the others were gridiron warriors.

From the start the defensive game was emphasized, with the five-man wall later giving way to the man-to-man hook-up. Both systems were very effective.

An out-of-bounds play was perfected which continually baffled the opposition and resulted generally in a score if worked under the Colonial basket.

The High Point College quint was the second victim of the Lemontes, 27-23.

However, the law of averages as well as a powerful combination representing Gallaudet, broke the Hatchettes' streak. It was not until after a great fight that the determined Axemen succumbed under a crushing rally launched by the Mutes, 37-33.

Lose to American Univ.

Then came another heart-breaker. The sensational American University dribblers came to the Colonial camp with an impressive string of consecutive victories. They went away with a well-earned 21-18 decision.

There were no substitutions in this contest. Lemon thereby deviated from his policy of the two-team shift. As if to add insult to injury, Lynchburg College came along and helped itself to a one point decision.

Even champions have slumps and if ever the Buff and Blue were to experience one they were in it when they met the strong Villanova combine, and were licked, 31-21.

But the doormat was destined to come along and with it the most impressive victory of the season. The Randolph-Macon Yellow Jackets were trampled on so hard that they were sorry they had ever hit the Nation's Capital. The score, incidentally, was 39-15.

The pleasant sensation of victory was short-lived for the "Scarlet Hurricane" from Davis-Elkins swept everything before them, even a smooth-working Colonial machine. These giants were regarded as composing one of the strongest quintets in the South so it was no disgrace to be handed a 29-25 setback by the "Big Boys."

Washington Square College, of N. Y. U. found a ferocious bunch of dribblers awaiting its quint. They were

lucky to get by with their long shots for the Lemontes defense reached its heights in this fray. Before the game Fred Wallace was elected Captain and he led his men to a 27-20 decision in honor of the occasion.

Frighten Catholic U.

For the first time in their schedule the Axemen journeyed to foreign fields when they invaded the Catholic U. court. They nearly upset the dope by giving the Cardinals a terrific scare, 22-18, and indicated that the result would be different the next time the two met.

In that game Bland was out of the line-up, and his scoring propensities were missed. He was leading scorer up to that time.

While the Colonials were busy looking toward their return scrap with American U., a team from St. Bonaventure easily trounced them, 21-16.

But the Lemontes had a chance to cover themselves with glory in the American contest and they did just that. It was a clear-cut victory, no "ifs" or "ands" about it. The George Washington combination proved that it was decidedly the better of the two. That 23-21 decision sounds fine.

From then on it was death to the team who could stop the fighting Lemontes.

They crushed the William and Mary Indians, 22-14.

Then came the team which had recently beaten Gallaudet and to show that they were superior to that team the Colonials beat Western Maryland by three points, 31-28.

Then the big game, the one to which all efforts had been directed, came and resulted in the unofficial crowning of the George Washington dribblers as the Champions of the city.

The outstanding players in the campaign were Capt. Fred Wallace, high point man; Jimmy Carey, versatile forward and guard; Allen Perry, a mid-season find, at guard; Harold Haun and Orr Goodson, centers; Henry Sapp, Alton Bland, and "Reds" Allshouse in the forward positions.

CO-ED RIFLERS SCORE IN DELAWARE MATCH

Shoot Seven Possibles to Win Telegraphic Match by 500 to 470 Score

The Buff and Blue co-ed rifle team this week piled up seven straight possible scores and two 99's against the University of Delaware, when only five possibles were needed for a perfect score. The Delaware team made a score of 470.

This record is the best the team has reached this season, surpassing even the firing done in the National Rifle Association Championship match. The scores of G. W. are as follows: Prentiss, 100; Cuvillier, 100; Folsom, 100; Shoemaker, 100; Taylor, 100; Clark, 100; Parsons, 100; Huntzberger, 99; Valden, 99.

Last year the fair Colonials downed Delaware by a score of 499 to 489.

Next week the team meets the University of Washington. This should be a good match. Washington is one of the strongest teams of rifle women in the country, having held the National Championship for two years.

The Beginner's Cup Match is well under way, the first stage having been finished and the second stage half completed. The results of this will not be announced until the completion of the match.

LIBRARY RULES

The Librarian wishes to emphasize three of the library rules. Between 11:05 and 11:50 only those students who need to consult library book are permitted to study there. Reserve books are to be returned to the reserve section. Lastly absolute silence is to be observed at all hours.

SUMMARY OF BASKETBALL POINTS

Player	Games	Field Goals	Fouls	Total Points

FROSH QUINTET IS DOWNED BY C. U.

Yearlings Drop Fast Game to Cardinal Frosh by 29 to 27 Tally

HOLD LEAD AT HALF TIME

Brooklanders Stage Late Rally to Overcome Lead; May Be Last Game for Freshmen

Losing a four-point lead in the last two minutes of play, the Freshman basketball team succumbed to the Catholic University yearlings, 29-27, in the contest staged as a preliminary to the Colonial-Cardinal game last Wednesday night. After 38 minutes of nip and tuck playing, the local Frosh were in the van, 26-22, and prospects were bright for another victory. At this stage of the game, however, the C. U. team staged a brilliant rally, scoring three double-deckers and a foul goal while holding the young Colonials to a foul shot.

It was a tough game for the Frosh to lose, although it would have been just as heart-breaking for the visitors if they had lost. Starting out with a rush, the C. U. quint scored a quartet of field goals and three charity shots before the locals could locate the basket for better than one foul goal. With the count 11-1 against them, the Frosh opened up with a snappy passing game to loop in eleven straight points.

Young Leads Rally

Ford Young was the leader in this rally. Accounting for the first G. W. field goal, Young followed this by scoring eight points in rapid succession. The score at half time was 14-12, with the Hatchettes on the long end of the count.

In the second half, hostilities moved along at an even pace with the young Colonials keeping the lead by virtue of a fast attack until a couple of minutes before the end, when the visitors staged their successful rally.

The defensive play of both teams was a feature of the contest. The referee called fouls upon the least pretext, and three players were banished from the floor because of personal, two from the local team and one from the C. U. five.

Ford Young was the star of the game, leading the scoring with seven floor shots and a quintet of charity shots, for a total of nineteen points.

Champer and Sullivan led the attack for the Brooklanders, the former being high score man with eleven points, and the latter displaying some brilliant passing.

This defeat will probably end the season for the Freshmen, although another game may be played away from home.

The line-up and summary:

G. W. FRESHMEN	G	FG	TP
Schaffert, f.	1	0	2
Young, f.	7	5	19
McQueen, c.	0	2	2

GIRL SWIMMERS BEGIN PRACTICE AT Y. W. POOL

Pool is Crowded With Mermaids; Periods are Announced

Girls' swimming started last week at the "Y" pool with a large number of enthusiastic supporters out for both instruction and recreation. The pool was crowded every period with would-be Ederles who hopefully tried everything from fancy diving and life-saving to merely wading around in the shallow end.

The class in life-saving instruction on Friday at 2:30 was quite filled with the more advanced swimmers. To join the class a swimmer should be able to do either the crawl or trudgeon strokes and a standing front dive. Anyone who can do these may come in and, if the life-saving tests are passed, will receive the Red Cross certificate and emblem.

The University periods are: Mondays, Tuesdays, Thursdays, and Fridays, 2:30 to 3, and Tuesdays and Fridays 7:30 to 8, at the Y. W. C. A. pool, 614 E Street, N. W. A doctor's examination is necessary. This may be obtained from the University physician, Dr. Borden, at the Rochambeau.

LEMONITES DOWN C. U. COURT TEAM IN SEASON FINALE

Brooklanders Lose Thrilling Basketball Game to Colonial Quint by 28-27 Tally

H STREET GYMNASIUM IS PACKED TO CAPACITY

Record Crowd Turns Out to Witness Downfall of Cardinals; Game is Fast Throughout

By KINGSLAND PRENDER

One week ago tonight the sturdy George Washington University basketball team was unofficially crowned as champion of the District when it triumphed over the powerful Catholic U. quint, 28-27, in the former's court, in the season finale.

To Orr "Neb" Goodson, sensational center and life-saver extraordinaire, goes the main portion of the victors' laurels, for in the waning seconds of play and with his team trailing by one point he made a hurried, one-handed shot which sent the sphere spinning through the cords thereby spelling victory for the Colonials.

However, Goodson's hero play would have been in vain had it not been for the determined rally led by his teammate, Henry Sapp, who garnered two free tosses and two field goals in rapid succession to bring his team in sight of conquest.

The win was particularly gratifying from a G. W. standpoint as it offset the Colonial defeat received earlier in the season as well as that on the gridiron last fall from the Cardinals.

The contest was close, fast, and thrilling from the outset with both teams displaying a defensive game that was well-nigh perfect.

Over-confidence seemed to mark the play of the losers in spots, particularly on following up long shots. Jimmy Long, captain and forward of the Redbirds, was the only one at all concerned with that important department, but his six scrimmage baskets speak well for his efforts.

VARSITY NINE IS TO BE ORGANIZED

H. Sapp, Football and Basketball Star, Chosen for Manager; Training Starts Soon

MANY CANDIDATES REPORT

Schedule is Being Arranged; G. W. Once Had One of Best Diamond Teams of Country

For the first time in several years George Washington will be represented on the diamond by a Varsity nine.

The decision to organize a baseball team was made in a conference last week at which Henry Sapp, football and basketball star, was chosen manager. It was also stated at the meeting that the baseball squad would consist of students from all departments of the University, as differentiated from last year's plan, whereby baseball was made an intramural sport, with teams from Columbian College, the Engineering School, and the Law School making up the league.

While a schedule for the season has not yet been drawn up, letters have been sent to nearby colleges and universities, asking for open dates on their schedule. Among the institutions to which communications were sent, such strong teams as Catholic University, Georgetown, and Maryland appear, as well as American University, Gallaudet, Strayer College, Blue Ridge and Washington College. Upon replies to these inquiries definite playing dates will be settled. As George Washington lacks stadium facilities, all of the games must be played abroad.

Intramural Stars Out

Many who participated in the league games last year have already signified their intentions of coming out for the Varsity team. Men who played on fraternity teams and with other nines last year have also promised to be on hand when the first call for candidates comes.

The infield candidates include Lope-man at first, Ray, the stellar second baseman for the Engineers last year at the keystone sack, Carey at shortstop, and Perry at the far corner.

Alewine, who played with the Columbian College team last year, Haun, center on the Colonial quint, Smith, and Walker have already applied for berths in the outer garden. Walker has quite a reputation as a slugger and should make things interesting for opposing pitchers.

Three Pitchers Appear

Three pitchers and a catcher seek positions as batters for the nine. Clapper, star hurler of the Engineers, Wheaton, who pitched last year for Kappa Sigma, and "Reds" Thompson, of S. A. E., are aspirants for the mound job. Henry Sapp, manager, is the lone applicant thus far for the catcher's mitt.

Around these men as a nucleus, the manager hopes to build a strong team which will place George Washington back in the position which it occupied a decade or so ago, when it was uniformly victorious over all the strong teams in the East, including members of the Big Three—Yale, Harvard and Princeton.

First call for all candidates will be issued toward the latter part of this month. Practice will be held daily on the Monument Lot, due to the absence of a home diamond. As planned, the playing season will begin about the second week of April and continue until the end of May.

MUSICAL PROGRAM IS SCHEDULED FOR CHAPEL

"The Chamber Music Club" under the direction of Mr. Paul Gropp of the University, will be the feature on the program of the regular chapel today. Paul Chih Meng, famous Chinese educator, will speak at the Friday chapel. Monday, Miss Helen S. Eaton, of the International Auxiliary Language Association, will be the speaker.

Vaiden Still Leading Girls' Activity Race

Louise Omwake Holds Second Place With 92 Points; Changes Are Expected

Ermyntrude Vaiden is still far in advance of all the other contestants in the athletic cup race. She leads with 158 points, while Louise Omwake comes next with 92. In spite of the great difference between the first and second places, only a few points separate the runners-up. In the next few weeks there are bound to be some changes, as rifle and basketball draw to a close and swimming begins.

The number of points scored by the runners-up are as follows: Clark, B. 88, Cuvillier 78, Denning and Parsons 76, Shoemaker 73, Prentiss and Crumley 72, Humphrey, H. 69, Humphrey, E. 67, and Folsom 62.

TRACK MEETING HELD; 25 PROSPECTS REPORT

First Practice of Season to Be Held in Gym Tonight; Several Meets Booked

Twenty-five candidates for track reported at the first meeting of the season, held in Corcoran Hall last Wednesday night. The first practice of the season will be held in the gymnasium tonight, and all men interested are urged to report for practice, and to bring their own equipment, as equipment will not be issued until later.

Coach Tom Proby, Manager Milton L. Dennis, and Captain Hurd W. Lett have been working on details. The Interclass Track and Field Meet, which the senior class has won for the past three years, will be held on April 16. A dual meet with Catholic University is announced for May 7, a dual meet with Gallaudet for May 14, and a triangular meet with Catholic University and Johns Hopkins for May 21. Two other meets are being considered.

Practice will not be held on the indoor portable track in the gym as in former years, but on some suitable outdoor track in the city. The athletes will dress at the gym and will be carried in busses to practice. Hours of practice in the afternoon for both day school and night school men will be arranged.

Several good men from last year have reported for practice, and many new men will be out, especially from Western, Central, and Eastern. The entire cross country team will be out. A very good track season is expected by Coach Proby. There will be much competition for the distance events, but there is great need for sprinters and field men.

O. Edward Fisher and one or two others have been appointed assistant managers of track.

"ONE SPORT RULE" PASSED BY TULANE

Following a new ruling at Tulane University, football letter men will be barred from participating in basketball.

The rule will not be put into effect until next season, and it will be strictly enforced. It was proposed by the athletic council and was heartily endorsed by Coach Clark Shaughnessy, former player at the University of Minnesota.

Bad physical effects on the athletes caused by the strenuous training of the two sports caused the authorities to take this step.

GRAHAM HEADS G. U. NINE

Ralph T. Graham has been elected by baseball letter men to lead the Georgetown University nine. For two years he has been a regular member of the team. He is first baseman, and a left-hand thrower and hitter.

He is the recipient of an unusual honor, that of being made captain of a varsity team while in his third year.

Coincidentally, Ben Egan, new baseball coach arrived. Mr. Egan met the squad in the gymnasium and addressed them briefly. Outdoor work has been begun, and the entire squad is at practice.

MOVIES WANT COLLEGE MEN

First National Pictures and College Humor Are Joint Sponsors of Idea

TO MAKE SCREEN TESTS

Corps of Directors and Camera Men Will Visit Leading Colleges Within Next Few Weeks

A nation-wide search for college men whose personalities will permit development in the motion picture world, conducted by the screen's foremost motion picture studio, is being announced in the April issue of College Humor.

First National Pictures, with studios at Burbank, California, and College Humor, of Chicago, Illinois, are joint sponsors of the idea which is destined to bring to the studios a number of collegians, who will be given every opportunity to develop their histrionic talents and to cash in on their photographic personalities.

Details of the contest are announced in the April issue of College Humor. In conducting the search for new faces and new talent, First National Pictures will send directors, camera men, and make-up men to the leading colleges and universities in the country within the next few weeks to study present day college men and to make screen tests of those whose qualifications merit most consideration.

Directly responsible for the plan to bring college men into the ranks of future screen stars are John McCormick, General Manager of West Coast Productions of First National Pictures, and H. N. Swanson, Editor of College Humor. They are now mapping out the routes to be taken by the units to get the tests, and the manner in which they will be made will be announced in the May issue of College Humor.

Mr. McCormick states: "We cannot expect all prospective screen players to visit our studios, so we have arranged to go to the universities and select those who we feel justify consideration."

LEMONITE QUINTET DEFEATS C. U. TEAM

(Continued from page 3)

Capt. Fred Wallace, season high point man for the Colonials, thrilled the capacity gallery by a beautiful pot shot from mid-court in the first part of the early half. From then on he was in most of the plays until, by his over-zealousness, he chalked up four fouls and automatically ushered himself from the fray.

The gymnasium fairly rocked with the enthusiasm of the rival cheering sections. Never before has a team representing George Washington been so well backed by the student body.

There was only one substitution in the whole game, that one being out of necessity when "Wheel" Barrow, a dependable player went in for Wallace.

As was expected, the Cardinals drew first blood in the form of a two-pointer executed by versatile Johnny Long after the ball had been in play for over three minutes.

His example was quickly followed by his mates, Jim Carney, center, and Bill Harvey, guard. Things looked gloomy for the Hatchettes but that determination which had marked their play throughout the season came to their rescue.

Wallace opened with a free toss, followed by Alton Bland's neat field goal and his own sensational long shot put the Colonials within one point of the fleet Reindeer.

On the next two plays the teams entered a deadlock by virtue of Foley's gratis shot and Carey's earned basket. C. U., however, broke away and by half time the score read in its favor, 15-10.

When hostilities were resumed the Lemonites fought desperately, ever trying to keep within hailing distance of the leaders.

The count stood 27-22 with the Lemonites trailing and with less than two minutes of play remaining when Sapp pulled his little rally act, dumped in two field goals and set the stage for Godson's never-to-be-forgotten life saver.

Here is how it happened:

G. W.	G	FG	P
Wallace, rf.	1	1	3
Barrow, lf.	0	0	0
Bland, rf.	3	0	6
Goodson, c.	2	0	4

PATHE NEWSREEL SHOWN AT MONDAY ASSEMBLY

Movies of ancient Greek and Roman ruins, including the Acropolis at Athens, and of a series of other scenes were included in a Pathe Newsreel show at assembly Monday. The showing of the movie took up the entire period and no other exercises were held except the regular opening ceremony.

G. W. Will be Host To Court Tourney

Local Basketball Tournament to Be Held Under Auspices of South Atlantic A. A. U.

With the close of the local basketball season fast approaching, George Washington University, together with other institutions in the city, will act as host in an elimination competition, which will be participated in by 49 of the city's best court teams. The tournament is being conducted under the auspices of the Washington Post and the South Atlantic A. A. U.

High school and college stars galore have been signed up to play in these championship contests, because the only requirement for membership on a team is an amateur standing. Two of George Washington's outstanding performers of the recent basketball season have allied themselves with the fast Takoma A. C. These boys are Henry Sapp and Jim Carey.

The various teams have been divided into five classes. Outstanding quintets which are expected to make strong bids for championship titles in their divisions include, Bond's Whirlwinds, Capital A. C., Takoma A. C., Arrow Seniors, Boys Club Flashes, and American Railway Express.

PENALTY IS LESSENED FOR "GUN-JUMPERS"

Intercollegiate A. A. A. A. Adopts Less Stringent Rules Regarding Sprinters and Hurdlers

Less severe penalties for sprinters who beat the gun and for hurdlers who knock over timbers will be dealt out hereafter by the Intercollegiate A. A. A. A. under rule changes adopted Saturday by the association in New York.

The hurdles will henceforth weigh 24 pounds instead of 16. The rule disqualifying athletes who kick over three or more barriers has been rescinded, the association feeling that faulty hurdling is in itself a sufficient penalty, having a tendency to throw the contestant out of stride.

By the same line of reasoning, the association has abolished the 1-yard penalty for faulty hurdle start. First offenses will be disregarded, but absolute disqualification will be imposed for a second violation.

Instead of the blanket 1-yard penalty for beating the gun in flat racing, punishment will be meted out as follows: 50 yards or less, 1 foot; over 50 to 75 yards, 2 feet; over 75 to 440 yards, 1 yard; over 440 yards, 3 yards. The penalty will be the same for the second offense and the third will result in disqualification.

Franklin Field, Philadelphia, will be the site for the association's annual outdoor championships on May 27 and 28.

CO-ED BASKET TEAM DOWNS GALLAUDET SIX

(Continued from page 3)

Kets, collecting 24 points. The Kendall Greens were still fighting hard when the final whistle blew with the count 39 to 13 against them.

If this game may be taken as an indication of the team's condition and playing form we may expect a most successful finish of the varsity season Saturday, March 12, when they journey to Westminster to play Western Maryland whom they have already defeated this year, 22 to 19.

Line-up and summary:

G. W.	Pos.	Gallaudet
Ewers	R. F.	Kannappell
Matthews	L. F.	DuBose
Jackson	J. C.	Lawson
Massey	S. C.	M. DuBose
Hastings	R. G.	Newton
Tomlin	L. G.	Eagle

Substitutions: Crumley for Ewers, Sowers for Matthews, Sims for Hastings, Zimmerman for Tomlin, M. DuBose for Kannappell, Sallick for M. DuBose, Beasley for Lawson.

Goals: Ewers (7 twos, 5 ones), Crumley (3 twos), Matthews (3 twos), Sowers (4 twos), Kannappell (2 twos, 5 ones), L. DuBose (2 twos).

OHIO STATE NINE LISTS 25 GAMES ON SCHEDULE

COLUMBUS—Twenty-five games, the most pretentious schedule in years, have been arranged for the Ohio State baseball team. Of these, twelve are with Big Ten foes, five with Ohio teams, two with eastern opponents, and six in the south.

Two new teams make their appearance on this schedule, Princeton and Furman. Ohio State takes the place of Harvard on the former's schedule, while the Buckeye will play Furman instead of Oglethorpe.

Big games of the season are a fray with Cornell, two with Minnesota, the tilt with Princeton, two with Illinois, and the annual games with Michigan, traditional foe. A southern trip will be made, to include University of Georgia, Furman, Georgia Tech.

Under the tutelage of Coach L. W. St. John, the Buckeyes have been working under the stadium and will take the diamond as soon as weather permits.

COLLEGE BOOTLEGGER

When questioned by prohibition agents who had arrested him for operating a still, Abe Bloom, 20, of New York, declared that he was bootlegging to pay his way through college.

Alpha Sigma Theta celebrated the formal pledging of Emily Mitchell and Mary Zoll at a dinner given at the Iron Gate Inn on Friday, March 4.

GREEK BOWLING REACHES FINALS

Sigma Phi Epsilon Battles Kappa Sigma for Inter-Frat Championship

S. P. E. DEFEATS PHI SIGS

Kappa Sig Keeps Clean Slate by Defeating S. A. E.; T. U. O. Downs Sigma Nu

Sigma Phi Epsilon, champion of League 1, and Kappa Sigma, winner in League 2, battled for the Inter-Frat Bowling title last night in the Coliseum. The results were not known in time to be printed in this issue of The Hatchet.

The S. P. E.'s had considerable difficulty in defeating the Phi Sigma Kappas last Wednesday. Phi Sig won the first game of the match easily, 478-431. In a rally which was much similar to the one by which it handed the Phi Sigs their first defeat of the season, S. P. E. came back in the last two games to win the match, 499-468, and 500-446.

Kappa Sigma kept its slate clean when it downed S. A. E. in two straight games Thursday. The margin of defeat for Sigma Alpha Epsilon was but four pins in the first roll, but the Kappa Sig maple spillers were able to take the final game by a more comfortable lead of twenty points. Final scores of these two tilts are: Kappa Sigma, 478 and 512; Sigma Alpha Epsilon, 474 and 495.

But one other match was carried for last week, that between T. U. O. and Sigma Nu duckpinners, in which the latter team lost two games out of three, and was forced to share the cellar of League 1 with Kappa Alpha.

Final standings in each league are as follows:

LEAGUE 1	W	L	Pct.
Sigma Phi Epsilon	4	1	.800
Phi Sigma Kappa	3	2	.600
Theta Upsilon Omega	2	2	.500
Sigma Nu	1	3	.250
Kappa Alpha	1	3	.250

LEAGUE 2	W	L	Pct.
Kappa Sigma	4	0	1.000
Sigma Alpha Epsilon	3	1	.750
Acacia	2	2	.500
Sigma Chi	1	3	.250
Theta Delta Chi	0	4	.000

MARYLAND WILL SEND TEAM TO PENN RELAYS

BALTIMORE—Twenty-five men turned out for the first track practice last Monday, at Johns Hopkins University. Coach Edwards put the squad through a light workout, with limbering-up exercises.

Coach Ridgley Edwards has announced that a relay team has been entered in two one-mile events at the Penn Relays, April 29 and 30. "Dick" Gwynn, captain, and distance star, will also enter the open two-mile run, in which he finished with the leaders last year.

A meet with Randolph-Macon has been cancelled because an agreement on guarantee could not be reached. A triangular meet with George Washington and Catholic University is also scheduled.

SCHOLARSHIP AWARD TO BE MADE AT LUNCH

Announcement of Award to Sorority
Will Take Place at Annual
Event

Announcement of the winner of the scholarship cup awarded each year to the sorority maintaining the highest average in studies the previous year will be made at the annual Scholarship Luncheon to be held at Rauscher's next Wednesday afternoon, March 16, at one-thirty.

The cup was won last year by the Delta Zeta sorority and the two years previous by Zeta-Tau Alpha. It has to be won for three consecutive years before it becomes the permanent possession of any sorority.

The freshman in each sorority maintaining the highest average the first semester, the senior Pan-Hellenic Council delegate of each sorority, and the non-sorority girl maintaining the highest average the previous year will probably be invited. Last year Raphaella Schwarz, with five "A's," was the non-sorority representative.

Henceforth the sorority winning the cup the previous year has had first choice in the selection of a date for their final party of the rushing season.

A committee is now working on plans for the affair and several innovations in this year's luncheon are promised.

WOMEN'S GLEE CLUB IN CONCERT AT HOSPITAL

Selections Well Received by Sailors
at Naval Hospital

The Women's Glee Club gave a concert at the Naval Hospital on Tuesday, March 1. The club sang six selections, including "Dreaming," "Mammy's Lullaby," and a "Serenade," accompanied at the piano by Olive Ralston. Gladys George, soprano, Helen Walton, contralto, and Ruth Barnhardt Mayberry, soprano, were the soloists.

Their humorous numbers were well received.

Woodruff Young, a pupil of Miss Wentworth, gave a dramatic selection, "Some Little Bug is Going to Find You Some Day," accompanied on the piano by Miss Wentworth, and made quite a hit with the audience.

Phi Mu Celebrates Founding of Sorority

Banquet at Carlton Hotel Friday
Commemorates Seventy-Fifth
Anniversary

Phi Mu Sorority celebrated the seventy-fifth anniversary of its founding by a banquet held at the Carlton Hotel last Friday, March 4. More than fifty members were present.

Lydagene Black was awarded the scholarship cup offered annually by the Washington Alumni Association of the Sorority for the active girl maintaining the highest average in her studies the previous year. She had an average of 96.67 per cent.

Pledges of the sorority gave a stunt, which took the form of a take-off on Sir Walter Scott's "Lochinvar." Modern dress gave the presentation a very humorous turn.

Mrs. Archie Straub presided and Marion Barker acted as toastmistress. Gladys George, soprano, an active member of the sorority, sang. The sorority was founded at Wesley College, Macon, Georgia, on March 4, 1852.

U. S. SUPREME COURT ADMITS TWO ALUMNI

Miss Etta Taggart and Miss Fred Lee
Woodson, '21, Admitted to
Practice

Two graduates of the George Washington Law School were recently admitted to practice before the Supreme Court of the United States. They are Miss Etta Taggart of Washington, D. C., and Miss Fred Lee Woodson, of New York. Both Miss Taggart and Miss Woodson were members of the class of 1921 and were charter members of the George Washington Chapter of the Kappa Beta Pi Legal Sorority.

Miss Taggart was very prominent in school activities during the three years she attended school here, being vice-president of her class every year. She was the first president of the Women's Legal Club of this city, and was admitted to the bar of the District of Columbia immediately after her graduation from law school. Since this time she has engaged in the practice of law in Washington.

Miss Woodson has been actively engaged in the practice of law before both the New York and District of Columbia Bars. According to a recent announcement these modern Portias will shortly be associated in the practice of law in Washington, with offices in the Fendall Building.

FOOTBALL COMMITTEE CHANGES GRID RULES

(Continued from page 3)

yards instead of 5 on an illegal shift and by giving officials a measure of "approximately" one second by which to determine a full halt.

"In all shift or huddle plays," the new rule reads, "the players must come to an absolute stop and remain stationary in their new position and without movement of the feet or swaying of the body for a period of approximately one second." This period, it adds, "may be conveniently measured by rapidly counting 1-2-3-4."

Any Official May Act

In case of doubt, the committee holds, "the penalty shall be enforced" and to aid detection of illegal shifts all four major officials are given jurisdiction, instead of leaving the detection to the referee and head linesman, as before.

Western conference officials, as well as other authorities, had urged fixing of a two-second halt to determine the legality of a shift. The new rule, however, substantially follows the recommendations of Knute K. Riekne, Notre Dame coach and one of the best known advocates of the shift.

Adoption of a new rule declaring fumbled punts "dead" at the point of recovery hits directly at such plays as one by which the Army scored a touchdown against the Navy in their historic battle at Chicago last Fall. The new regulation provides that "when a kicked ball, other than kicking off, kick from fair catch or kick following safety, is legally recovered by the kicking side before it has passed into the possession and control of the other side, it shall be declared dead at the point of recovery."

Let Forward Pass Alone

All attempts to curb the forward pass were voted down by the committee, which showed its leaning toward even greater development of the open game by taking the shackles from the backward pass, which heretofore has been largely avoided because of the possibility of its being recovered by the opposing team if fumbled or incompleting.

The pass from center is not affected in the newly adopted rule, but any other backward pass, instead of becoming a free ball if grounded, fumbled or otherwise incompleting, remains in the possession of the passing side at the spot, where it either strikes the ground, or passed out of bounds before striking the ground, providing the play is on one of the first three downs. On the fourth down, the ball would go to the opposing team.

To speed up the game the committee reduced from four to three the number of times out, which a team may take in either half without penalty and put a limit on the "huddle" in the following new rule:

"A delay of more than 30 seconds in putting the ball in play after it is ready for play or a team remaining more than 15 seconds in 'huddle' may be considered prima facie evidence of intentional delay of the game." A 5-yard penalty is provided in the rules for any intentional delay.

G. W. Advances Scholastically and Financially Under Lewis

Physical Equipment Increased and Improved; Student Body and
Alumni Welded Together Through New Sense of Loyalty
Fostered By Outgoing President

The three and one-half years that President Lewis has been at George Washington have seen the University take its longest and strongest strides forward. The new George Washington has been triumphantly launched. President Lewis has led in the drive for endowment which makes possible a new university plant, splendid in utility and in the beauty of simplicity. The first units of this plant—Corcoran Hall, Stockton Hall, the gymnasium—have been completed under President Lewis' administration.

Not only in the matter of physical equipment has the University been led forward by its President. Under Dr. Lewis, George Washington became a member of the Association of Urban Universities. Dr. Lewis served as president of this organization for a year. Also, the University has entered the new Medical Center with Garfield Memorial Hospital.

As important to the undergraduate, as the increased prestige and equipment of the University is the growth in school spirit and the welding together of the student body. President Lewis, by inspiring contact and unfailing sympathy with the student body, has done much to achieve this. A National University His Aim

In his inaugural address President Lewis said, "The ideal which we seek is a university with national character and influence, a university taking full advantage of the great resources of the Federal City for inspiration and for research, a university sending into every corner of the land an ever-in-

PROFESSOR DOYLE TO HEAD FRENCH CONTEST

Best Translations of Briand's Speech
To Be Awarded Prizes By
Committee

Prizes for the best translations of M. Aristide Briand's speech on the occasion of Germany's entrance into the League of Nations are being offered by a group of American citizens interested in setting before the youth of their country the ideals expressed in this "masterpiece of contemporary French oratory."

The committee in charge of this composition is headed by Professor Henry Grattan Doyle of George Washington University, and includes among its twenty other members such prominent people as the Honorable Theodore E. Burton, member of Congress and president of the American Peace Society; Alice M. Dickson, editor of Le Petit Journal; Jeanne M. Lanz, president of the Société de Professeurs de Français; Bayard Quincy Morgan, professor at the University of Wisconsin and editor of the Modern Language Journal; René Samson, head of the department of modern languages in the High Schools of the District of Columbia and secretary of the committee; Arthur Charles Watkins, associate secretary of the National Council for Prevention of War.

Contest Divided

The contest is being carried on in two divisions: one open to all students of French in American schools of secondary grade, and the other to all students of French in American colleges. Six prizes are being offered in each division: the first of \$100; second \$50, third \$25, fourth a year's subscription to the daily edition of the Courier des Etats-Unis, fifth a year's subscription to the weekly edition of the same paper, and sixth a year's subscription to its Sunday edition.

The speech has already been translated into English for the newspapers, but so far no translation has expressed the true feeling of France's Minister of Foreign Affairs comparable to the way he presented it. The duty of the committee is to find a translation which gives the spirit of the address in the best possible English.

Professors Have Texts

Copies of the official French text and the various application blanks are to be obtained by the instructors of students wishing to enter the contest. Reading and discussing the speech is to take place in the different class rooms. The first elimination occurs at the school or college, only six translations from each institution being sent to the committee. April 15, 1927, has been set for the last day on which the committee will receive the papers. The prize winners will be announced as soon as possible after June 1, 1927, increasing stream of men and women

GENTLE SPRING SOFTLY DESCENDS UPON GEORGE WASHINGTON CAMPUS

Hatchet Reporter Sees Unmistakable Signs of Approaching
Season in All-Pervading Atmosphere of Laziness Which Sur-
rounds G. W.; Nature Conspires to Make Students Cut Classes

Two Freshmen playing baseball, the back-campus benches with waiting lines several yards long, coats flying open, hats at rakish angles, class room windows half way up, professor's voices droning, everybody with an I've got-to-cut-my-class look in his eyes, laboratory class windows surrounded by looking-outers, twigs on the trees beginning to look knobby, a kite marooned in the branch of a tree, the door of the Hatchet office standing open, a spear of grass pushing up be-

with physical stamina, intellectual strength and spiritual power, a university true to the name of George Washington and pledged to the up-building of our America; to this we dedicate ourselves with the prayer that with clear vision and unfaltering courage we may serve the nation which we love." And the school knows that President Lewis has not failed in his ideal.

Dr. Lewis was born in Howell, Mich., March 24, 1878, the son of James and Mary (Coe Farrand) Lewis. He was graduated from Lake Forest College (Illinois) in 1900 with the degree of A. B. He received his A. M. from Illinois College in 1902. In June, 1924, he received the degree of LL. D. from Lake Forest College and in June, 1925, LL. D. from Norwich University.

From 1900 to 1903 he was an instructor at Illinois College. The following three years he acted as instructor at Lake Forest College. From 1906 to 1913 he was headmaster at Lake Forest Academy. The last two years of this period he was president of the Board of Education of Lake Forest, and from 1909 to 1912 he lectured at the McCormick Theological Seminary in Chicago.

Aided in War Work

The years 1913-14 were spent by Mr. Lewis in traveling about England, France and Germany, studying the educational systems of those nations. Upon his return to Lake Forest he was elected mayor of the city and chosen a member of the Board of Review of Lake County.

These duties occupied his time until the entrance of America into the war in 1917. He then came to Washington as the executive secretary of the National Committee of Patriotic Societies, which post he occupied during 1917 to 1919. From 1919 to 1921 he was the director of the Savings Division of the United States Treasury Department, handling the sales of war saving stamps and developing a national thrift campaign during the difficult post-war period. In 1921 he became the chief of the Educational Service of the United States Chamber of Commerce. Since 1923 he has been a special lecturer at the Colorado State Teachers College. In 1923 he was chosen president of George Washington University. In 1924 he was made president of the Association of Urban Universities. He is on the executive committee of the American Council of Education.

Noted Also as Writer

In addition to serving as mayor of Lake Forest and as president of the Board of Education there, Mr. Lewis rendered notable public service in the direction of preparedness movement in Chicago and throughout the Middle West in 1915-16, and as civilian adviser to the Moral Division of the Army in 1918. He is widely known as a lecturer on economic subjects.

Dr. Lewis is a member of the Cosmos, University and Chevy Chase Clubs of Washington, the Sons of the American Revolution, the Military Order of the Loyal Legion, the Kiwanis Club, and the Phi Delta Theta Fraternity. Dr. Lewis is a trustee of the Georgetown Presbyterian Church.

He is the author of various articles for leading newspapers and the Encyclopedia Britannica. He was editor of the Liberty Loan Speaker's Handbook and wrote "The Heritage of a Soldier's Son" and "The Voices of Our Leaders."

On December 6, 1906, he married Ruth Durand at Lake Forest, Ill. They have one child, Sara Durand Lewis, who is now a student at Hollins College.

MEDICAL FRATERNITY HOLDS ANNUAL BANQUET

The Phi Chapter of the Phi Chi Medical Fraternity held its annual Founders' Day Banquet on Saturday evening, February 26, at the New Willard Hotel.

The toastmaster was Dr. Geo. Jenkins, Professor of Anatomy. The speakers of the evening were Dr. Nolan Lewis, Psychiatrist at St. Elizabeths; Major Heffebauer, of the Surgeon-General's Office; Colonel Mallory, Professor of Gastro-Intestinal Medicine at the Medical School; and Dr. E. M. Ellison, of the University Hospital Staff. The retiring President, Clayton Hixon, and the President-elect, Richard W. Wilkinson, gave short addresses.

Many alumni members were present, making the total attendance about 75.

DR. CAJIGAS ILL

Dr. Cajigas of the medical school has been away for a week because of an infection of the arm. He is expected to return soon.

Prof. Doyle Speaks At Pep Club Meet

Advisor to Men's Organizations
Stresses Loyalty as The Most
Valued Quality

Professor Henry Grattan Doyle spoke on loyalty at the Pep Club meeting in Corcoran Hall, March 3.

"We have lots of things to be proud of," the Men's Advisor said. "We are not a second rate place. We have a competent faculty and a student body that's willing to learn. We ought to be proud of them."

Professor Doyle cited a questionnaire that had been sent out at a noted college showing that loyalty was a quality men most valued in their friends. He said that he was particularly glad that club emphasis was being laid on activities.

"Be sure that you have the right kind of loyalty," he urged. "Small town lip-service loyalty is no good. It's the man who gets out and does something who counts."

There seemed to be a general feeling against the use of badges or insignia in the club.

The dance committee made plans for the second dance which was held in the gymnasium on Saturday morning.

The orchestra was composed of Lynn Van Dercook, George Brest, Oscar Brand, Harold Luber, Francis Tomkins.

Coach Crum will be the speaker at the next meeting, to be held in Corcoran Hall, Thursday at 11 o'clock.

AVUKAH HOLDS SERVICE TO HONOR ACHAD HA'AM

A memorial meeting in honor of the late Achad Ha'am will be held Wednesday, March 9, at 8 o'clock in Corcoran Hall by the Avukah, the Students, Zionist Organization. Isadore Sacks will give a paper on "The Life and Works of Achad Ha'am" and Rebecca Rhoads will give a dramatic reading of a poem in honor of the great leader by Nachman Bielleck. There will be musical entertainment and refreshments.

LEWIS DECRIES MASS EDUCATION IN SPEECH

Tells Lafayette Alumni That a Small
College Can Accomplish
More

Probably one of the greatest problems confronting the world today is that of mass education, according to Dr. William Mather Lewis, President of George Washington University, who spoke last Saturday at the annual banquet of the Philadelphia Alumni Association of Lafayette College at Philadelphia.

"Years ago," said Dr. Lewis, "only one in 1000 attended a college or university. This year statistics show one of every 150 in the United States is a college man. This tendency to mass education must be overcome. The individual, or the value of the individual is lost in mass education."

"An educational institution is justified only by its products or results. The best products, it has been proved, result where the individual contacts of the undergraduate and teacher is greatest."

"I believe by remaining small, a college can accomplish more than an institution so large that an undergraduate is merely one of many, where even the daily roll call fails to connect the undergraduate with the professor."

NATIONAL ORATORICAL CONTEST

If a sufficient number of students are interested, George Washington will enter the Collegiate Oratorical Contest. Professor Hall has requested that every student who wishes to participate will send his name and address to him at his office at the Wilkins Building before March 15. The date when the completed orations must be turned in will be announced later. It will probably be the first or second week in April.

Safe-guarding tobacco's
priceless asset

Tobacco that's a veritable treasure, a wealth of rich mellowness, worth its weight in gold... deserves every possible protection to assure its safe-keeping. So, the utmost precaution is taken to safe-guard Granger's priceless properties.

To prevent the loss of one bit of its freshness, Granger is first packed in a heavy-foil pouch... Then to be 100% on the safe-side, this is sealed 'AIR-TIGHT' in an extra outside-wrapper of glassine—keeping the tobacco 'factory-fresh' till you break the seal to load your pipe!

Our chemists say it is 'an almost perfect seal for tobacco condition'—protecting tobacco better than any container except the vacuum tin. Then, because it is much less expensive than a costly pocket-tin, Granger's pocket-packet sells at just ten cents. It's the greatest value ever offered to pipe-smokers!

GRANGER
ROUGH CUT

The half-pound vacuum tin is forty-five cents, the foil-pouch package, sealed in glassine, is ten cents.

Made for pipes only!

Granger Rough Cut is made by the Liggett & Myers Tobacco Company

SCANDAL SHEET EDITORS FACED WITH LIBEL SUIT

Five Students at Manitoba University Resign After Burlesque Edition

STUDENTS ALLEGE LIBEL IN ISSUE OF RED HERRING

Editor of Manitoba Student Claims He Was Denied "Freedom of The Press"

Threatened libel suits and the resignation of five editors of the Manitoba, official student publication of the Manitoba University, Winnipeg, Manitoba, were the result of the publication on the campus of Red Herring, a supposed scandal sheet.

The Red Herring carried reports involving in scandal almost every outstanding student in the university. All available copies were immediately confiscated by the university authorities, and many of those mentioned in the paper threatened to bring libel suits against the editors if explanations were not made. All action has been dropped with the resignation of the five men who were responsible for the sheet.

Criticized Student Council

The trouble started when Leonard L. Knott was dismissed by the student council from his position as editor-in-chief of the Manitoba. Knott had refused to abide by requirements of the student council and when the council objected, he criticized that body in the editorial columns for not allowing him "freedom of the press." The council called upon him to resign, which he refused to do until the matter had been brought before the entire student body. The council, however, forced him from his office and appointed a new editor pro-tem.

Several of Knott's assistant editors resigned and together they began the publication of The Manitoba Student. The editors of the Manitoba attempted to injure the success of this venture by getting the advertisers to refrain from using the columns of the new publication. The Manitoba Student appeared on the campus, however, and took well among the students.

As it was later discovered, five editors of the Manitoba then published the Red Herring, which was directed against the Manitoba Student and contained a personal attack on Knott. When the names of the editors were brought to light, the five men resigned their positions on the staff of the Manitoba.

DR. RICHARDSON SPEAKS TO STUDENT VOLUNTEERS

Dr. Edward Elliott Richardson, Elton Professor of Mental and Moral Philosophy at George Washington University will conduct several of the exercises in connection with the Student Volunteer Conference, to be held at American University Friday, Saturday and Sunday of this week.

The other speakers at the conference include Dr. Lucius C. Clark, Chancellor of the American University, Dr. George B. Woods, Dean of the College of Liberal Arts of the American University, and Dr. Kenneth Scott Latourette, Professor of Missions, Yale Divinity School.

MISS BUSHEY, NURSES' TEACHER, DIES IN CALIF.

Funeral services for Miss Lucy M. Bushey, who died in Pasadena, California, February 28, were held at Arlington National Cemetery last Saturday.

Miss Bushey was instructor of Nurses at George Washington University Hospital until a few months ago. During the Spanish American War she was a military nurse.

MAY STUDY CHINESE

McGill University is considering the establishment of a department of Chinese studies. The Board of Governors of the University recommended such action for the purpose of fostering a better understanding between Canada and China.

FOREBODING MYSTERY SURROUNDS WIERD WRITING ON WALLS OF C. U.

Eagle-Eyed Sleuths Hired by Brookland Authorities to Ferret Out Perpetrators of Heinous Crime; Milk Bottles and Bricks Hurlled at Unknown Culprits

Detectives of Catholic University have been attempting to unravel the mystery of the handwriting on the walls of a newly-painted white shack on the C. U. campus. The script appeared shortly after the G. W. C. U. tossing contest last week. Evidence shows that some time after midnight a mob of mysterious people appeared on the premises of the University and that certain members of the throng were armed with brushes, buckets, and a large supply of indigo paint.

Suddenly, it is alleged, a member of the mob stepped forward, seized a brush and with dashing strokes painted something on the walls of the building. Some time before, it is said, a party of the mysterious invaders had been waylaid by a husky Maroon and Black man and they had been ordered from the premises. A well-directed spot light served as a weapon and the valiant defender of the Catholic University grounds was able to forestall the advance guards of the invaders.

The members of the mystery band

Gamma Eta Zeta to Initiate at Pierre's

New Members Will Be Guests of Honor at Banquet After Initiation

Gamma Eta Zeta, professional journalistic sorority, will hold its initiation tonight at Pierre's. The initiation will be followed by the annual banquet in honor of the new members. The banquet is at 8 o'clock after initiation at 7:15.

President and Mrs. Lewis, Secretary and Mrs. Kayser, and Mr. and Mrs. Daniel C. Chace are to be the guests of honor. President Lewis and Mr. Kayser will speak.

The initiates are Julia Denning, Dorothy Dougherty, Ruth Greenwood, Eileen Gardner, Patty Ann Jamison, Emily Pilkinton, Ann McCorkle, Ermystrude Valden and Betty Wiltbank. Each of the new members will be called upon for a two-minute talk.

CO-EDS ARE SMOKERS, SAY RESTAURATEURS

Prevalent Among Northwestern Girls, They Contend, in Violation of University Regulation

EVANSTON—Restaurant and tea-room proprietors of Evanston denied statements of faculty members and leading co-eds on the Northwestern University campus as to the prevalence of smoking here last week. There is a rule against women's smoking at Northwestern.

Nearly all of the restaurateurs and tea-house owners declared that Northwestern women smoked in their establishments, although they admitted that it was hard to tell which girls were and were not connected with the University.

One hotel owner said that he had found that smoking among women was on the increase. "A majority of women in every restaurant and cafe in the country smoke now," was his verdict.

A storm of arguments pro and con have followed recent meetings of the Women's Self Government Association when the matter was discussed.

Dean Richardson, the Dean of Women, has refused to make any statement in regard to the matter.

THEY SMOKE AT CHICAGO

CHICAGO—Coincident with the excitement at Northwestern University concerning co-ed smoking comes the statement from officials at University of Chicago that there are no restrictions on the campus.

This applies even to the first floor of the women's halls, it was stated, although custom forbids the practice.

According to the Daily Maroon, student paper, representative women on the campus expressed the opinion that it was purely a matter of personal opinion, and one girl stated that she felt that it was a matter of custom and not of morals.

Sophonisba Breckenridge, Dean of Women, said, "There seems to be no desire to smoke on the first floor. The women live by a policy of consideration for others."

COLEMAN JENNINGS TO ADDRESS EPISCOPALIANS

Delegates to Tri-Diocesan Conference to Give Report

Coleman Jennings, well known to members of the Episcopal Club, will give an informal talk on "Personal Religion," at a meeting of the club, to be held Thursday, March 10, at 8 o'clock, in Corcoran Hall 17. Mr. Jennings spoke at a club meeting early in December on "Toc-H."

To fulfill one of the program requirements of the club, a special meeting has been called for March 17, Thursday, and the next regular meeting will be held on Thursday, March 24, all in Corcoran Hall, 17. Mr. Jennings will start each meeting with a short talk, and then will conduct a discussion on the question of the evening.

At this week's meeting Rolston Lyon and Mildred Volandt Thomas will present their reports of the proceedings of the Tri-Diocesan Conference, held February 25, 26, and 27, in Baltimore. Rolston Lyon has been elected President of the Conference for the next year. It will meet in Washington, under the auspices of the George Washington University Episcopal Club.

Troubadours To Hold Final Tryouts Tonight

Director of Musical Comedy Planning to Secure Local Theater for Show

Final chorus tryouts will be held by the Troubadours in Corcoran Hall tonight at 8:15. Cast tryouts will be held starting at 8:30 the same evening.

The chorus of thirty-two girls will finally be picked at this time. The first tryouts for the chorus were held in the gymnasium last Saturday evening. A good turnout of girls was on hand and they were put through the opening steps by Mary Virginia Leckie, chorus directress.

Work on the script for the musical comedy has reached the advanced stages. Elmer Brown, who is handling the music, has done a lot of work composing original tunes which are claimed to be even better than the song hits of "Just a Kiss."

Announcement of the dates and place of the showing will be made in the near future, as the directors are working on a plan whereby a theater may be obtained for some of the performances.

Delta Tau Delta announces the formal initiation on Sunday, March 6, of the following men: Richard Acton, Wilbur Baker, Richard Callahan, Charles Cole, Jackson Dorset, Edward Fisher, Leslie Stevens, Paul Voorhees, Frank Hartig, William McPeak, and Radford Mobley. A banquet was held at the City Club in honor of the new initiates.

OFFICERS NOMINATED FOR FRESHMAN LAW

Elections to be Held Friday, March 11, at Stockton Hall; Many Candidates

At a meeting held in Stockton Hall last Friday, March 4, nominations for Freshman Class Officers of the Law School were made. Elections are to be held next Friday, March 11, the ballot boxes to be open from 9 to 12 a. m. and from 4:30 to 7 p. m. As absolutely no proxies will be accepted, it is hoped that all the freshmen lawyers will take advantage of this occasion to vote for their choice of the many candidates. William J. Wilkins, President of the Senior Law Class, presided at the nomination meeting.

Those whose names will appear on the ballot sheet are as follows: President, W. Milton Hansen, Samuel B. Ayis, John T. White, Clare Wheaton and Milton Dennis; Vice-president, A. Hasskarl, S. H. Williams, Otho Rogers, and Lawrence Knapp; Secretary, Mary Ackert, Charles Futterer, Grace Norvell and Fay Bentley.

Treasurer, Orval Hafen, John Fessenden and Wilbur M. Baughman. Senate, of whom one woman and two men are to be selected, Frank Towles, Mary Holland, Clarence Barrow, Clifford Day, Isidore Brill, Vance Brand, Imogene Williford, Junius Romney and Radford Mobley.

John Jay Chapter of Phi Alpha Delta announces the initiation of John C. Ketcham, C. J. Nelson, Junius Romney, Patrick Flaherty, Charles Flutterer and Yelverton Cowherd. The Chapter will hold its regular dinner meeting Thursday evening immediately after classes.

COLLEGE CRUISE BOUND FOR HOME

"Floating College," With 550 Students Aboard, is Now in Mediterranean

REACH NEW YORK MAY 2

Second Cruise Will Enroll Men Only; Number Limited to 375 Students

The College Cruise Round the World is now homeward bound through the Mediterranean, with 550 students from the leading schools and universities abroad. It will reach New York May 2, completing a circle of the globe.

A majority of the students will return to some 122 educational institutions from which they took "time out" for the eight months of study and travel.

So successful has the University Afloat proved, that the College is to be made a permanent institution. The University Travel Association, Inc., sponsoring this new school, has even now announced a Second College Cruise, Round the World, to leave about September 20.

Announce Second Cruise

The S.S. Ryndam of the Holland American Line has again been chartered, and will be the "buildings and campus" of the second cruise.

Dr. Charles F. Thwing, President Emeritus of Western Reserve University, was president of the First World Cruise College with Dr. Joseph E. Lough, a graduate of Harvard and prominent in psychological societies, as acting president during the latter part of the trip.

Ex-Governor Henry J. Allen of Kansas is one of the members of the faculty which includes able educators, selected from the leading schools of the country. The same type of men will be in charge of the academic work on the Second Cruise.

The College Cruise is to be a school for men students only this year, with the enrollment limited to 375. Girls will not be included in the student body on this cruise, although certain plans are under way for a girls' Round the World college at some future date.

On the Second Cruise a student may elect his own course of study in one of four groups: Elementary college courses; advanced college courses; special business courses; or a pre-college course for those who wish to make up work or prepare for college entrance examinations.

JUNIOR PROM BALLOTS ARE AGAIN REQUESTED

Lack of Interest on Part of Students at Last Week's Poll Deplored

Last week a call was made through the medium of the Hatchet to the students of the University for their ideas in regard to the Junior Prom.

Ballots were printed in which students were asked to state whether they favored the Prom, and if so, whether they would support it by buying a ticket. These ballots were to have been left at the office of the Chairman, Social Relations Committee, Building 7.

If the number of ballots turned in is a true indication of the interest of the student body in the Junior Prom, it would seem that the note of disapproval which prevailed at the announcement of the Social Relations Committee that the Prom had been called off was merely one of passing interest, for up until Monday morning only eight ballots had been received. There seems to be little hope for the support of the Prom.

The committee is making a last appeal to the students to respond by asking them to send in their ballots at once, and decide once and for all the question of a Junior Prom.
